

RESOLUTION

96-18

SUPPORTS THE CUMBERLAND COUNTY BOARD OF COMMISSIONERS
TO PROCEED WITH THE SUBMISSION OF THE PLANNING, IMPLEMENTATION
& TECHNICAL ASSISTANCE GRANT PROGRAM APPLICATION FOR THE
PREPARATION OF THE CUMBERLAND COUNTY GREENWAY PLAN

WHEREAS, the Pennsylvania Department of Conservation and Natural Resources is accepting applications under the Pennsylvania Keystone Recreation Park and Conservation Fund for the Planning, Implementation & Technical Assistance Grant Program. The project will focus on a county-wide comprehensive greenway study which will identify areas throughout the county best suited for potential greenway designation. The purpose of the grant is to complete a planning study that will recognize the important county land corridors and potential linkages for conservation and greenway planning. The resulting study will document the means to enhance county-wide recreation and open space planning including: environmental, economic, land use, aesthetic, wildlife, scenic, aquatic habitat, and recreational elements to determine specific areas for greenway development.

LET IT BE KNOWN, the mission of the Cumberland County Greenway Plan is to conserve, restore, enhance or create parks and open space through partnerships, education, awareness, and stewardship.

NOW, THEREFORE, BE IT RESOLVED, that:

1. WEST PENNSBORO TOWNSHIP supports the purpose and mission of the
(Municipality)
Cumberland County Greenway Plan.
2. The BOARD OF SUPERVISORS hereby supports the preparation
(Governing Body Chairperson)
of the Cumberland County Greenway Plan.

RESOLVED, this 9TH day of DECEMBER, 1996.

GOVERNING BODY CHAIRPERSON

Gerald Baccaro
